

## House Rules Reminder

- **Proper Tools Are Assumed:** standard kit does not augment.
- **Preparation Time Is Limited:** the GM will tell you how many augments can be applied.
- **Relationships & Personality Traits Are Encouraged:** relevant relationships and personality traits augment for free but must be narrated. But not if bland or undescribed.
- **Gods Favour The Virtuous:** all theistic magic is augmented by the gods virtues for free and you don't need to narrate it.
- **Augments Must Be Narrated:** or they don't happen. Don't stare at your sheet and count up. Take it in turns round the table to narrate an augment.
- **Narration Pays Off:** interesting or convincing augments are worth extra.
- **Bumps Must Be Narrated:** if you can't explain what happened then nothing did.
- **Noteworthy Results Get Described:** and are available to all for augmentation.
- **Characters Can't Be Written Out Or Wrecked:** unless players agree.
- **GMs Frame Scenes To Cut Fluff:** players should request scenes and/or ask to be included.
